

## Our Company

ANALYTICA has built a team of exceptionally dedicated analysts, statisticians, developers, engineers, and professionals with a wide range of experiences and talents. As the 4th fastest-growing IT services company in the nation, our team is ever-expanding to broaden our technology capabilities and expertise. ANALYTICA's team members are united in their commitment to leveraging data and advanced data analytic technologies to solve the world's most pressing and important problems. We value our start-up culture: we work hard, but we know how to have fun. As one of a select group of companies capable of bridging the gap between functional silos, ANALYTICA specializes in providing a holistic approach to an organization's financial, analytics, and information technology needs.
